For immediate release

Mike Holmes to make announcement at Sault College

(Sault Ste. Marie, ON January 24, 2011) Mike Holmes will visit Sault College to endorse the new Home Inspection Technician (Co-op) program, the province's first-ever two-year home inspection diploma program. Students who enrol in this two year, Ontario College Diploma program will gain both knowledge and practical skills relating to residential home construction through a combination of classroom, laboratory and workshop learning so that they are highly qualified to enter the home inspection field. The program also includes a co-op work placement to ensure graduates have relevant work experience that complements their in-school studies. Graduates will have the ability to recognize deficiencies in the structural components, exteriors, roofs, plumbing, electrical systems, heating systems, ventilation and air conditioning systems, insulation, and interiors of residential homes.

Date: Monday January 31st, 2011

Time: 2:00pm

Location: Sault College Gymnasium
Sault College
443 Northern Ave.
Sault Ste. Marie, ON

Free parking is available in the A-North parking lot located across the street from Sault College.

This event is by invitation only.

About Mike Holmes

Mike Holmes became a household name by helping homeowners to Make it Right® in their home renovations. Through educating consumers on the importance of using the best materials, hiring professionals and doing things right the first time he shares his passion to help homeowners protect the biggest investment in their lives: their home. Part of that protection is a good home inspection. Mike Holmes Inspections was started to provide a service that meets the highest industry standards and offer homeowners the peace of mind that comes from knowing their home has been inspected using the best equipment, by skilled professionals who are committed to their career.
